### YOUNG PUSSY IS GREAT

Dear JUST 18: Normally, I consider myself to be a man of few words but after having my mind—and more—blown by all of the sassy little sluts in your magazine for months now, I just had to put pen to paper in an attempt to express my appreciation and gratitude. While all pussy is good, young pussy is great. The feel, smell, and taste of it is beyond compare and just gazing upon a well-lit photograph of a pink young slit is enough to give me a boner that can last for hours. And that brings me to my point—because you guys consistently run incredible photographs of such pleasant, fresh-looking models I can always count on JUST 18 to get me hard. Always. In fact, I keep an old issue stashed in the glove compartment of my car just in case I should ever need some special inspiration while out and about. So keep on doing what you're doing JUST 18 because there are those of us who depend on you.—Rick in VA

### CARNAL HOTCAKES

Dear J18: You know what I want to see? I want to see an older, curvy MILF with a nice thick triangle of bush between her thighs make sweet love to a lithe, young, creamy-skinned member of the itty bitty titty committee. Like an older whore passing along her carnal knowledge to a young whore-in-training concept. It would be even better if the MILF has long curly brown hair and the young whore-to-be has straight brown hair in a pixie cut. Maybe some strap-ons could be involved, too. Definitely a lot of cunt munching, though. The cunt munching should be the main attraction and everything else secondary, although I'd like to see some nice close-ups of their two faces with their tongues touching. I personally guarantee that if you run a photoset like I have described, those issue will sell like hotcakes.—Viktor in MA

### NAKED ANGELS

Dear JUST 18: There is nothing in this whole goddamn world that lifts my spirits like a little peek at some sweet snatch. That's why I snap up your magazine every time I can get my hands on it. One issue lasts me just about forever on account that I can pull my pud over and over while admiring the same naked angel. I don't ever get sick of looking at little gals spreading their legs apart. My most favorite is when they seem all shy like in the photographs, like they want to be there pulling their pussy lips apart but they are aware of how naughty it is. You can tell that by looking at the face, in the eyes. To be honest, about half the time when I rub one out looking at dirty pictures I am looking at the face and not at the titties or the asshole or the pussy lips at all. I guess I'm a bit strange like that.—Marvin in TX

## MERMAID GAMES

Dear JUST 18: I don't believe that in all my years of studying and appreciating pornography that I have ever seen a photoset depicting a girl or number of girls all decked out like mermaids playing together in a pool. That is something I would appreciate very much, as I have had a fascination with mermaids ever since I was a boy. I don't eat fish because I cannot stand the taste of it but boy would I like to eat out the vage of a half girl/half mermaid creature. I have seen on several occasions in your publication girls that would be just perfect to be all gussied up in that fashion, with little seashells over their breasts and whatnot. Specifically there was a girl going by Vanessa on the cover an issue or so back who, in my mind, represents mermaid perfection. Such shiny blond hair! Such perfect-sized tits! I wrung myself dry imagining her beautiful legs engulfed in scales and kissing her most private places.—Vernon in ND

## BRAIDS DO THE TRICK

Dear JUST 18: Is it at all possible for more of your models to wear their hair in braids? Maybe toss in a few shots of them getting their hair braided by another topless chick or a topless older chick or something like that. When a babe is on all fours sticking her twat in the air I like when she has her hair styled in a way that would give me something easy to grab once I've hopped on. In my personal experience, braids do the trick. Also, after I have slipped it to her until she a sopping wet mess and it's time for me to pull out and shoot steaming globs of spunk all over her smooth back, if her hair is braided up chances are that I won't get a mess in it. Chicks go apeshit when they get cum in their hair, don't ask me why. Just wash it, it's not that big of a deal. But no, it becomes like a major fucking crisis and if there's one thing I hate it's getting yelled at right after sex.—Rolf in NY

## A PROPER FUCKING

Dear J18: I sure would like to fuck the shit out of just about every girlie you publish. I don't think I've ever seen a one I wouldn't like to feel the inside of. If it's OK for me to say so, a few of them look like they could use a proper fucking. Like that Veronica with her big oranges. My god, if she didn't look completely stuck up to me. Exquisite body, but a face that needed a cock in it ASAP. I'd love to see my cum pooling up in her bellybutton. And tits like that were made to be squeezed. She shouldn't be allowed out of the house again until she has had a right proper fucking—I'm talking a tongue up her asshole and everything.—P.J. in IA

**B**etcha never seen snow globes quite as awesome as these before! My sweater puffs are so massive they practically require a skein of yarn each to keep them swaddled. I'm not bragging, just stating a fact. If you think they look mountainous now, just imagine when I climb on top. The view from below is even better, believe me! The soft creamy curve of my underboob, that's what everyone likes to aim their pecker at when they pull out to spooge. Sometimes my beauties bounce so much when I'm straddling a cock in cowgirl that they just about knock me out of the saddle! That's why I like my lovers to really grab a hold of my hooters and hang on tight while we hump. Besides, my twat tingles whenever my nipples are touched. My tits may be my best feature but my cunny's choice, too. It's super duper tight. And warm. 🍆

# HORNDOG'S NOTEBOOK

"Fiftysomething Wally meets a girl named Harper who wants to review the dirty ebook he wrote. Wait till you learn about her unique method of deciding how many stars it should get!"

## RATING HIS RAUNCH!

BY WALLY BALAKNOWIZ

Do you read ebooks? Then maybe you heard about the recent scandal where writers and publishers were paying \$50 apiece to freelance writers to post positive reviews of their ebooks online. I figured the only thing that was wrong with this is that the freelancers had to deliver five star reviews. But if they were just paid \$50 to write a review and the verdict was left up to them, would it be any different than a reviewer paid by a magazine?

In any case as a longtime porn writer trying to survive in the modern Internet age, I publish erotic ebooks on Kindle and I know from my experience that you need reviews and readers are very reluctant to actually take the time to write them. So I decided I'd be willing to pay a few freelancers to review my books but they could say whatever they wished - as long as they simply posted the reviews so the customers on Amazon could see that the tomes had elicited SOME reaction and not just apathy.

I reached out through various social media to find my reviewers and the most memorable was an eighteen year old girl named Harper. She contacted me through Twitter and said she'd be interested in reviewing my stuff but money wasn't necessary. She had a unique reviewing method and if I was "up for it" I could meet her at a coffee shop and we could work it out.

Eighteen. That's just about forty years younger than I am. But I know from my experience in the porn world that girls between 18-21 are very open to all kinds of men, younger and older, before they get

Her body made my mouth water, and even more so as she smiled at me and made herself comfortable on the bed with her thighs open, her pretty toes curled against the bedspread. She ran her fingers over her lovely titties and down along the sweet slope of her tummy I knew I was going to have a "hard" time concentrating on reading my ebook to her off my Kindle but I took a deep breath and started to read when she said in her girlish sibilant voice, "Begin."

My story was about a young woman seducing an older man, a theme of which I am very fond, and as I read—and I'm quite good at oral interpretation, by the way—Harper looked at me with a blank expression, as if not to give away her reactions. At the same time, however her fingers tweaked her nipples, tugged them gently and then she slid her hands down to her thighs. She did not plunge right away into her pie but circled her fingers over those thighs, caressing squeezing even scratching, until finally wetness appeared in a little glimmer in the slit between the two plump sides of her smooth snatch. She kept looking at me with a wide eyed poker face even as her digits finally slid along her moistening mound and sunk into the groove.

"Go on, it's interesting," she said, leaning her head back a little looking at me through increasingly slit like eyes.

I continued with my recitation. In the ebook the young woman had finally gotten the older man to come over to her apartment, and she met him at the door wearing a pink baby doll nightie and a thong panty I relished writing about scenes like this since they had so rarely happened in my actual life.

hardened into the more judgmental mode of the femi-nine twenties, when women walk around with lists in their head of what's good and bad about males (and often they'll choose the bad over the good.) Anyway, I figured this chick Harper was probably looking for an interesting experience and my offer of review work was only a ruse for her to satisfy her curiosity in some way or other.

My instincts were right. When I met her in the coffee shop and could calm down inside at how cute and lithe she looked, and that she was going to grace my relatively solitary fiftysomething writer's life with her presence for a little while, I learned that what she wanted was for me to read her my ebook while she masturbated, and she would judge by the wetness of her pussy how many stars to give it. Similar but not exactly the same as giving a car an oil check with a dipstick, I suppose.

You gotta love the young. They're always coming up with new angles.

Having satisfied her hope that I was a friendly and safe type—she said she'd taken Advanced Placement Psychology her senior year in high school, and knew how to pick out the weirdos—she took me back to her place. How did she afford her cute little apartment? By stripping and working as a model in art schools.

And now she was branching out to ebook reviewing, in her own way. In her bedroom, she had me sit down on a chair while she removed her clothes in a very off-hand fashion. This was no striptease, it was her preparing for a serious and honest attempt at book reviewing.

I watched closely as Harper absorbed my descriptions of the light as-a feather material of the nightie brushing against the dark puffy nipples of my heroine which naturally drew the enthused attention of her visitor I began to read a description of her mature lover sucking her puffs through the material while stroking her pussy through the thong

"You are so good with adjectives," Harper said, almost simultaneously with the squish of her fingers as they sunk into her box.

I kept reading Harper tried to focus on my face, occasionally looking down at my hands holding the Kindle, and she also lowered her gaze to check out my crotch. I was wearing light khaki trousers and my boner was pressing against the back of the zipper I knew she could see it. Rest assured, experiences like this one are wonderfully exhilarating to us graying Baby Boomers.

The heroine of my ebook was now taking out the penis of her visitor and I could tell that Harper was totally lost in the narrative. She slid down on her pillow somewhat, and her fingers were deep in her cunny, moving around in the very audible wetness which she then scooped out and rubbed on her clit like lubricant. Then she said in a girlish whisper even while now looking up at the ceiling, "Keep reading."

I obliged. My characters were falling into each other's arms, with the man tugging off the baby doll nightie and thong and making the girl naked, while he still had his clothes on-but his cock out. My heroine stroked his meat while he played with her tits and they French kissed.

The words I was speaking blended with

the sights I was enjoying, as Harper was now totally flat on her back on the bed, maybe not even listening anymore to anything but the sound of her panting as she rubbed her pussy faster and faster. I was tempted to rub my dick but I decided to wait, wait and see.

"And so he put his cock finally into her mouth," I read, "and she was able to take so much of it that her tongue could even reach his balls as she blew him..." My seasoned raunch was doing the trick, as Harper's fingers flew over her nub until finally she clamped her thighs around her hand as if to keep the explosion from tearing apart her room as wonderfully as the climax was clearing out her crotch.

"Oh my, oh my," she gasped, her pelvis jerking underneath her hand several times more before she calmed down.

"Shall I continue reading, my dear?" I said, the soul of urbane detachment.

"Nops, heard enough! You can't get any more stars than you've already earned," said Harper, taking her damp gleaming fingers out of her hole. "Five for a job well-done" She leaned across the bed, held her digits up to my face, and then slipped them into my mouth. "And a good review comes with a good fuck. Get your clothes off, grandpa, and let's celebrate your literary success."

It wasn't the New York Times Bestseller List, but it was a rating I could live with!

GIDGET  
&  
NADIA

**M**y bestie Gidget is such a little slut! The other day she wasn't answering her cellie so I swung by her place to find out why. And guess what? I totally found her out back, naked atop the picnic table, full-on flicking her bean. In broad-ass daylight and everything! Well of course seeing her all spread out like that made me horny too, so I stripped down and joined in the fun. We shared a big black dong that had a cherry red tip—call me crazy, but I swear it felt better than the one I use at home that's all one color. Then again, having my clitty sucked swollen first proolly helped...as soon as that cock was crammed inside of me I came like a queen. Then I returned the favor and gave Gidget a royal O. I fucked her snatch so juicy that her bush was as wet as a freshly-watered lawn! 🍆

# MIA & ALLIE

**W**hen I went away to college, I was assigned this crazy roommate. Mia never left the room much, just sat around masturbating. It seemed like whenever I would try to cram for a test she would be spread out naked on her bed doing a totally different kind of cramming. The sound of her pumping a dildo in and out of her holes was really distracting—so much squishing and sighing. Finally I couldn't take it anymore, I had to get involved. So I climbed into bed with her, sucked one of her nipples into my mouth, and stared into her eyes while she hand-fucked herself to a big, fat O. Afterwards she used her toy on me, thrust it deep inside my pussy until I creamed all over it, then gently slid it right up my butt. Just like that, Mia took my anal cherry. And ever since I've been blowing off studying in order to lezz out instead! 🍆

**S**o I've got a secret...I'm still a virgin! I've spent plenty of time with plenty of guys, but so far I've managed to keep my beautiful pussy prick-free. I'm hanging tight to my V-card for the time being because I truly believe that my gynie is magical—which means it's gonna take a really special love wand to wow me into going all the way. Think I sound crazy? Why, I have one of the most bewitching beaves ever to grace the female form. See for yourself—my outer lips are peachy and plump while the inner ones are pink, pliable and petal soft. The combo of the two makes for one heck of an awesome orchid! My sex smells better than any flower on earth. Plus, everything is so soft and sensitive down there that I literally can't keep my hands off myself. I fiddle and diddle till I'm blissed out on O's. Oh yeah! 🍑
